Christian environment, in which each child feels

potential. We value parents and carers as partners
in the learning process*

School Uniform Policy

We believe that school uniform is important for several reasons:

- It provides pupils with a sense of identity and pride in their school.
- It enhances the appearance of pupils and therefore the reputation of the school.
- It helps to instil in pupils a sense of purpose when they put on their uniform in the mornings.
- It overcomes the problem of both parents and teachers of what is or is not suitable for school.

All clothing worn to school should be clearly marked with the child's name to keep our lost property problem to a minimum. Children with long hair should arrange to have it tied back neatly for all lessons and hair should be of natural colour and design.
