

Name: _____ Date: _____

Ring the correct answer for each of the following three questions.

- 1 A word similar in meaning to 'aspects' is
views opinions expects sides
- 2 A word similar in meaning to 'generous' is
large kind mean wooden
- 3 Another word for 'comprising' could be
composing composting competing comparing

Use full sentences to answer the next questions.

- 4 What sort of building is the flat in?

- 5 What do you think the agent means in stating that the flat is 'in need of some modernisation'?

- 6 The floor area of a room can be calculated by multiplying the length by the width. Using a calculator find the floor area of each room in the flat, then find the total floor area of the accommodation.

Notes for teachers

Ask the children to read the passage carefully, ensuring that they understand that it consists of estate agents' details about a flat that is for sale. Do they remember to write in complete sentences, using appropriate punctuation, for the final three questions? Talk through question 6 with them, pointing out that it is a mathematical question but still requires comprehension of the information contained within the passage and within the first sentence of the question itself – try to resist helping them any further!
