

Holiday cottage

- Come and stay at our beautiful holiday cottage, deep in the heart of the Somerset countryside. Willow Barn has been converted to offer four-star accommodation and is within easy reach of the M5 motorway.
- The front of the cottage opens on to the farmyard here at Tayton Farm. The garden rises alongside the cottage and there is an acre of lawn behind it. The main patio faces south and has wonderful views of the Blackdown Hills.
- The accommodation features two large bedrooms, one of which has an en-suite shower room. There is also a separate bathroom. The open-plan living area has a fitted kitchen, dining area and spacious lounge with open beams. The two sets of patio doors lead to the huge garden and provide excellent views of the surrounding countryside.
- The cottage has full oil-fired central heating and the efficient system provides a constant supply of hot water. Basic essentials, such as washing up liquid, salt, pepper, sugar, tea-bags and coffee will all be available. Bedding will be supplied.
- Willow Barn makes an excellent base for exploring the Quantock Hills, Exmoor and the whole of Somerset. Devon is only a couple of miles away and beaches can be reached in just 45 minutes. A network of public footpaths can be found in the immediate locality. The small town of Wellington is nearby and the county town of Taunton is approximately nine miles away.

We look forward to hearing from you.
