*"Light brings every kind of goodness,
right living and truth" Ephesians 5:9*

Executive Headteacher's Message

This week the children have enjoyed a sport rich week, with the highlight of course being Sports Day. Children have enjoyed being in their house teams. We are very proud of all that the way that they have supported and encouraged each other, every single one of them shine in so many ways! Well done everyone!

School Prayer:

Sorry for not always telling the truth. Sorry for the times we forget to be kind.

Thank you for all those who show compassion to us, and for the lovely things in the world that shine. We will try to treat others how we would like to be treated, help us to respect and take care of others.

Please Lord, help us shine and show compassion, to the sick and the needy, to our sisters and brothers. Amen.

Class updates:

Cherry Class have been learning about different materials and if they would be good to build with or not.

We have also been looking at seaside holidays, past and present and the differences. We also took part in our first Sports Day!

Willow Class—Over the past couple of weeks in Science the children have been learning to name and identify wild and garden plants. This week in Science, using their knowledge, the children walked around the school grounds looking for and identifying different wild and garden plants they grow in our school. When the children found a plant, they drew what they could see using a clipboard and paper. The children in Willow class thoroughly enjoyed this and were very good at identifying and naming all of the different plants.

Maple Class have been very engaged in their new Science topic which focusses on humans impact on the environment. As part of this we completed a litter pick around the school and kept record of what we found deciding if it was recyclable, compostable or general waste. In Geography we continued our topic by researching the uses of rivers in different locations around the world. As parents and carers will know, we also took part in our school Sports Day this week. The children were excellent and we ended up with some very good weather too! Thank you once again to all parents and staff who supported us in running the event.

It has been another busy week of sporting events in Silver Birch Class.

On Monday afternoon, we participated in our annual sports day event. It included a variety of running races, obstacles and fun class races. After half-time, we completed our class races that included dressing up, obstacles and lots of challenging sports mixed together. We finished by completing our relay races. The scores were counted and Neptune won the 2024 Sports Day with 135 points.

Thank you to all the staff, volunteers and PTA for their support with the event.

On Wednesday, Year 6 completed a virtual lesson by Kooth. We were introduced to Kooth and what they do for young people. We discovered that they are a safe, anonymous and online mental health support group. Lauren and her team gave us information on what to do to help with mental health. We learnt that the word 'anxiety' tells us how we are feeling when we are worried or scared. Symptoms of anxiety can be headache, lack of appetite or unusual emotions.

Good news stories

There's been a lot of sporting achievements this week!

Well done to Marley and Florence who did brilliantly in their gymnastics competition! And well done to Freddie for his football medal!

Lastly, well done to Team Neptune who were the overall winner of our Sports Day on Monday—thank you to all those who came and cheered the children on!

TERM DATES 2023/2024

Staff Development Days— 22nd July 2024
