THE CHURCH OF ENGLAND
Diocese of Norwich

"Light brings every kind of goodness, right living and truth" Ephesians 5:9

Executive Head's message;

Another busy week in school this week, with children demonstrating how they shine in all areas across the curriculum. It hardly seems possible that we are almost at the end of the spring term, we look forward to welcoming you to our Easter Church service which will be on April 3rd at 2.15pm.

School Prayer:

Sorry for not always telling the truth.

Sorry for the times we forget to be kind.

Thank you for all those who show compassion to us, and for the lovely things in the world that shine.

We will try to treat others how we would like to be treated, help us to respect and take care of others.

Please Lord, help us shine and show compassion, to the sick and the needy, to our sisters and brothers. Amen.

School Attendance Dog

Congratulations to Willow Class who won this weeks award!!

Our whole school attendance this year to date is 96.72%

Class updates;

This week in Willow class the children have been excited to see their runner bean plants finally start to grow! The children filled in their Science diaries, drawing and writing what they could see happening to their bean plant as it started the germination process. Last week we planted some cress seeds in different groups. The children were excited to see how the cress seeds had grown as some were put in the dark without any light, some were not given water and some were given water and light. The children then recorded their results of what they could see from each group of seeds. At the end of lesson the children decided that plants needed water, sunlight and warmth to be able to grow.

In Maple class this week, we have been continuing to learn about and use data loggers in our Computing lessons. We have then used this data to draw line graphs to show changes in temperature over time. In English we have been focusing on writing short stories and in Maths we have been learning all about tenths and hundredths as decimals and fractions and how they relate to one another. In PE we have been making use of the warmer weather to get outside for our Fitness lessons.

In Silver Birch class this week, we have been learning how to write a newspaper report on the eruption of Mount Vesuvius in Pompeii. Within Maths we have continued to explore the area a volume of shapes. In PE we prepared for Wednesdays Hand ball tournament, which was a great success with the team coming in third place. All who played demonstrated brilliant teamwork and resilience! Well done!
