"Light brings every kind of goodness, right living and truth" Ephesians 5:9

Executive Head's message;

Thank you to all for engaging in World Book Day this week!

Prayer

Dear God, help us to be reflective over this time of Lent. Amen

Class updates;

Willow class have planted beans this week and are looking forward to seeing them grow! We learnt about sources of food in Science. Year 1 and 2 have worked really hard on their Pixel Tests. It was lovely to see everyone dressed up for World Book Day!

This week in Maple Class we have been busy building and testing electrical circuits in our Science. The children really enjoyed these lessons and even built their own switches using paperclips and split pins! In History we continued to learn all about Shang China and where it sits in time compared to other great civilisations. In maths we have been exploring time including converting analogue to digital time and beginning to look at 24 hour digital clocks. Any work that the children can do at home to develop their ability of reading clocks is always very beneficial as it such an important life skill! In PSHE we have been learning about nutrition and what makes a balanced diet. This connects well to our DT project which is to design and create a new sandwich! The children have even been busy designing potential nutritionally balanced sandwiches for my lunch next week!

Silver Birch Class have had another busy week. We made electrical switches in Science and for World Book Day, as well as dressing up we designed our own front cover and 'blurb' for our favourite read. We also learnt about Haiku which is a short form of poetry that originated in Japan.

School Attendance Dog

Congratulations to Maple Class who won this weeks award!!
