"Light brings every kind of goodness, right living and truth" Ephesians 5:9

Executive Headteacher's Message

What a busy and productive week in school! Many of our children have been completing assessments this week, and I have been impressed by their resilience and determination to do their very best. Around this, it has been lovely for the children to have lots of other opportunities to show how they shine. We are looking forward to next week when we will have our sports afternoon, parents are very welcome to come along for the afternoon on Wednesday 18th June from 1.15pm

Mrs Brand

School Prayer:

Sorry for not always telling the truth.

Sorry for the times we forget to be kind.

Thank you for all those who show compassion to us, and for the lovely things in the world that shine.

We will try to treat others how we would like to be treated, help us to respect and take care of others.

Please Lord, help us shine and show compassion, to the sick and the needy, to our sisters and brothers.

Amen.

Class updates;

This week in Willow class, the children started their learning about the Great Fire of London in History. The children were 'History Detectives' looking at sources and clues to find out when the fire happened, how it happened, where it happened and how did it start. The children worked in pairs to answer the questions by looking at the sources of information. Well done History Detectives!

Well done to the children who took part in the Athletics Tournament this week!

In Maple Class this week, we have been very busy completing our Summer Term assessments. It has been fantastic to see just how much children have improved and learnt since the first tests completed in the Autumn Term! Alongside our assessments we have also been very busy practicing for our end of year performance and preparing for Sports Day. The last half term is always very busy and this year is certainly no exception!

For our second week of the term, Silver Birch Class have been learning about the development of babies into teenagers through our science unit on Human Growth. For this session, we learnt about all the different changes that a baby would go through in order to become a teenager into adulthood. In History, we continued our study on World War 2. For lesson 2, we explored the evacuation of Dunkirk. We learnt that Dunkirk is a shipping port where many British and French troops headed to on their retreat of the invading German army. As part of the lesson, we looked at how many soldiers were rescued each day and how it allowed Britain to continue fighting another day. In RE, we explored the important symbols of Islam and what they mean to Muslims.

Good news stories

Once again, a massive thank you to our amazing PTA who have bought some new play equipment for our children to enjoy!

Cakes/Bakes Donations needed!

Please help support our PTA's refreshment stall at our Sports afternoon on 18th June by donating shop bought or homemade cakes/bakes, please drop off at school office. Thank you!

School Attendance Dog

Congratulations to Silver Birch Class who won this weeks award!!

Our whole school attendance this year to date is 96.48%
