EARSHAM PRIMARY ACADEMY

15th May 2026

Head of School

A huge well done to our Year 6 children for completing their SATS this week! They have conducted themselves brilliantly and definitely have permission to relax over the weekend! It really is amazing to see all they have learnt throughout their years at Earsham Primary in English and Maths being used within the tests that they have been sitting this week. Well done to them, and all those that have supported them throughout their primary school years.

Mr Woodcraft

Willow Class

This week we have continued our work on materials in Science by investigating different properties of materials such as whether something is flexible or rigid, elastic or stiff. In Geography we have learnt about map symbols. Year 2 have been writing their own version of a finding tale in English and in PSHE we have been thinking about things that make us feel strong.

Maple Class

In Maple Class this week, our maths lessons have been focused upon statistics, and bar charts in particular. Children have had to complete their own bar charts as well as interpreting data presented on a variety of different charts. In English, children finished their story writing this week and have begun to write short stories based upon an object. In History we have been considering how the Mayan Civilization may have come to an end and have explored the different theories that exist. The children assessed the available evidence, presented their case and voted on what they felt was the most likely theory for the sudden decline of the Maya. Our swimming lessons have continued this week with some good progress already noticed with some children.

Silver Birch Class

This week in Silver Birch, the Year 6's have been completing their SAT's. They have shown amazing effort and resilience and we wish them luck for their future studies. Year 5 have been researching and investigating Ancient Greece, including presenting their powerpoints on Ancient Greek Gods and stories, such as the Trojan Horse.

GOODS NEWS STORY

Well done to Toby and Oscar in Maple Class who both received football awards. Toby was awarded Player of the Season and Oscar received the 'black dog' award for continued support of his Team even when he was unable to play - well done both of you!!
